## Plaza del Sol Option #B

**Cost: \$300,000**

This option is located on the upper plaza area adjacent to the large metal arbor within the Plaza del Sol. The proposed memorial would be a granite clad hexagon, 6.5' high with inset laser cut memorials dedicated to each branch of the Services: Army, Navy, Air Force, Marines, Coast Guard and City Employees. Water would course down the sides in six small runnels and disappear into a unobtrusive grate at the bottom.
